## HAND CARE

**Key ingredients:**

**Borage Seed Oil** and **Sunflower Seed Oil** work in harmony to deeply nourish and condition the skin. Rich in essential fatty acids, Borage helps to soothe and support dry, irritated hands, while Sunflower softens and maintains moisture levels.

**Sodium PCA**, a powerful humectant to help draw moisture into the skin, leaving hands feeling comfortably hydrated and supple.

**Bergamot** and **Tea Tree Oils** provide a refreshing, clean aroma while offering natural purifying benefits to help maintain skin clarity and balance.

**Salon use:**

Gently massage the required amount into the hands following a manicure or hand treatment to nourish and moisturise. May also be used as a medium for hand and arm massage.

**Homecare use:**

After washing hands with **Spa Hand Wash**, massage regularly into hands and cuticles to combat dryness and keep skin supple.

**Precautions:**

For external use only. Do not take internally. Avoid contact with eyes. Do not use on broken skin. Keep out of reach of children.

**Pregnancy:**

May be used during pregnancy; we do however recommend to consult with your doctor or midwife before using to determine suitability. Hormonal changes during pregnancy can affect skin sensitivity, we recommend performing a patch test prior to use.

**Vegan friendly:**

We deem this product to be suitable for vegans.
