## BODY MOISTURISER

### Key ingredients

**Soya oil:** Rich in Omega- 3, Omega-6, Vitamin K, Amino acids and Triglycerides, it offers skin soothing properties and is an ideal choice for nourishing mature and menopausal skin.

**Wheatgerm oil:** A source of vitamin A, vitamin D, B vitamins, antioxidants and fatty acids which help to moisturise the skin.

**Avocado oil:** Abundant in Oleic acid, Vitamin E and Lutein carotenoid, this easily absorbed oil is ideal for very dry skin.

**Geranium, Lavender, Eucalyptus, Sandalwood and Cypress:** This synergy of expertly hand blended essential oils soothe and balance the senses with their aromatic actions whilst helping to nurture and condition skin tissues.

### Application

Dispense required amount into hands and apply to the skin in smooth flowing movements until absorbed. May be used as a stand alone body moisturising oil, or added into a plain body cream to offer additional emollience or aromatic benefits.

### Precautions

For external use only. Do not take internally. Avoid contact with eyes. Do not use on broken skin. Keep out of reach of children.

### Pregnancy:

As this formulation contains a high amount of essential oils we do not recommend it is used during any stage of pregnancy.
