

## Eve Taylor® Winter Rescue Hand Treatment (20 minutes).

### Products needed:

**Ultra Soothing Cleanser**  
**Chamomile Hydrosol**  
**Nourishing Serum**  
**Nourishing Cuticle Oil**  
**Colloidal Oatmeal Masque**  
**Colloidal Activator**  
**Soothing Masque**  
**Aromawax Candle**  
**Ultra Soothing Moisture Cream**

### Treatment protocol:

1. Cleanse the hands with **Ultra Soothing Cleanser**. Remove product by enveloping hands with hot mitts dampened with water infused with **Chamomile Hydrosol**. Gently blot hands dry.

2. Place a spoon full of **Colloidal Oatmeal Masque** into a bowl and mix with two pumps of **Colloidal Activator** into a workable paste. Use to exfoliate the back of the hands, tops of fingers and around cuticles in gentle circular movements. Remove product thoroughly with hot mitts dampened with water infused with **Chamomile Hydrosol**. Gently blot hands dry.

3. Apply **Nourishing Serum** to the backs of the hands, and gently massage **Nourishing Cuticle Oil** into cuticles and fingers.

4. Mix two pumps of **Colloidal Activator** with one pump of **Soothing Masque** and add a small amount of **Chamomile Hydrosol** into a bowl and stir with masque brush to create a creamy gel consistency.

Apply to backs of hands and fingers using **Eve Taylor Fan Masque Brush** and allow to infuse into the skin for 5-10 minutes.

**Optional:** While hand masque is on, shape nails using **Eve Taylor Nail File** to ensure a neat finish to your treatment.

**Optional:** Hands may be placed into **Eve Taylor Cotton Moisture Gloves** or hand liners followed by hot mitts for additional skin conditioning benefits.

5. Remove hand masque with hot mitts dampened with water infused with **Chamomile Hydrosol**. Gently blot hands dry.

6. Carry out hand and arm massage with wax of chosen **Aromawax Candle**.

7. Apply **Ultra Soothing Moisture Cream** to hands.
